

June 29, 2017

Dear Families and Friends:

We wish you a great summer ahead, and look forward to seeing you in September. There are some events planned in September, and we have placed these on a calendar for your future planning.

The summer is a time for outdoors, reading a great book and enjoying time with family and friends. Sometimes on a rainy day we love to take out a board game or a set of die, and play fun card games.

Building confidence and competence in math is important for our students. To support this, we have included a guide to help support math practice over the summer. Our Instructional Lead, Deb Matthews, shares great strategies to help us understand and learn our multiplication tables, and there are great websites and game ideas to support our younger learners for addition and subtraction.

Thank you to all of you for your never ending support. Growing and learning together at Leslie Frost is inspiring for all of us.

Some highlights to think about over the summer:

We are here for the first week of July for any information you might need. We are also here the last week of August to prepare for the opening of the 2017/2018 year.

If there is any urgent information that you need please feel free to call or text my cell phone: Linda O'Leary: 705 928 2425; or email linda.oleary@tldsbo.on.ca

Lindsay Fair:

September 20-24th

We will have entry forms available at school, they are due back due Fri. Sept 15th. You can visit the website for a list of prizes: <https://lindsay-ex.squarespace.com/prize-lists-entry-forms/>

Lunch Options

Our lunch options for this year will be: Chicken Fingers on Monday; Spaghetti on Wednesday; and Pizza on Friday. Forms will be sent home the beginning of September. The program will begin in October. Milk will be available by the second week. We will send forms home the first day of school.

Getting Ready for September

To begin the year our students will need a back pack, lunch

bag, and in door shoes. Personal pencils, pens, pencil crayons and erasers are optional. We provide all materials for classroom learning to promote student success.

Cell Phones / Technology

Students are able to use their technology at school in a respectful manner. Cell phones are not allowed in the classroom, unless invited in for learning purposes, and may be used to text or call with permission. A quiet place is always available for security and privacy. Students are not allowed to take photos randomly at school. This is, and can be a safety issue for some of our students.

Parent Council

Day care has been arranged for the 2017/2018 Parent Council meetings. Our first meeting is Wednesday September 27th All other meetings will be on the third Wednesday of each month.

Parent Council is highly committed to supporting a diverse number of projects at Leslie Frost. Our fundraising ventures need volunteers to help make things happen. All of our families are committed to their children in school, and out. We understand how busy

things can get. We appreciate the time you give in every way.

September Open House

We look forward to seeing all of you for the Leslie Frost Open House on Thursday September 14th to meet the staff and enjoy a BBQ together

Volunteers

Many thanks to the dedicated volunteers who help at Leslie Frost!

If you are able to volunteer, please call the school. We appreciate the support you give to us for head checks, reading and working in our students' classrooms. Police checks are required and are easily received by picking up a letter from the school office.

Parent Lending Library

This is just a reminder that the parent lending Library is in our front corridor. The books are there for you. Please sign them out, and if you have any suggestions to add to our selection, please let us know. Over the summer you might come across a title that would be good to add to our circulation.
