

Dental Staff will visit your child's school on November 8th, 9th and 10th

A Registered Dental Hygienist from the Health Unit will be providing a *No Touch* dental check of your child's teeth on November 8th, 9th and 10th, 2022. A Report Card with results from this check will be sent home with your child.

Why are we checking teeth?

- Teeth are important! We can help eligible children 17 and under get FREE dental treatment

Who will be checked?

- All students in **JK, SK, Grades 2 and 4** will be provided with a check
- Students found to have urgent dental treatment needs may be checked again at a later date
- Call us at 1-866-888-4577 ext. 1247 if you have any other children you would like to receive a dental check

Important Info

- Changes to your child's dental health can happen between dental visits, so we would like to see all children in the grades above, even if they visit a dentist regularly
- This check does not replace your child's regular visit to the dentist
- **If you would like your child excluded from this dental check, please contact the Oral Health Team at 1-866-888-4577 ext. 1247 as soon as you receive this notice or at least 2 business days before the date of the dental check, and leave a message with your child's name, date of birth, school and grade. Please do not send a note to the school**

**For more information please call
toll free at 1-866-888-4577 ext. 1247**

Personal and personal health information on this form is collected under the authority of the Health Protection and Promotion Act, as amended, the Regulated Health Professions Act, and the Personal Health Information Protection Act, and will be used for assessment, management, treatment and reporting purposes.
